EDUCATION

Course	School / University	Year	CGPA / %
B.Tech (CSE)	MMDU , Mullana	2022-2026	7.8 CGPA
CBSE Board (Class XII)	Delhi Public School , Jagadhri	2022	78%
CBSE Board (Class X)	Army Public School , Ahmednagar	2020	88.89%

Skills

- **Programming Language: -** HTML | CSS | C | SQL | JavaScript **|** React

- **Database: -** Postgresql | MySql

- **Other Skills: -** Figma | presentation designing

- **Technologies:**- Web development | UI/UX

PROJECT

- **Agronic   (April-2023)**

Played a pivotal role in Agronic's smart agricultural irrigation project, modernizing traditional systems through IoT integration. Developed a responsive website utilizing HTML, CSS, JavaScript, and React to showcase solutions and engage stakeholders. Additionally, crafted intuitive user interfaces for the mobile application, ensuring seamless navigation and enhancing agricultural efficiency and sustainability efforts.

- **Angarakshak (In-Progress)**

Contributed to Angrakshak, a smart soldier suit offering health and navigation features. Designed UI for the mobile app and currently developing the project website. Excited to enhance soldier safety and functionality through innovative technology solutions.

ACADEMIC ACHIEVEMENTS

- Poornima Hackathon Top 5

- Participated in Internal Smart India Hackathon 2023
